

# RAJDHANI GROUP

Two-Wheeler Spare Parts Distribution, Trading & Supply

## Company Overview

Rajdhani Group is engaged in the distribution and trading of automotive spare parts, serving an extensive network across the two-wheeler aftermarket. Our operating focus is reliable supply, strong brand partnerships, organised inventory handling and long-term customer relationships.

## Our Strengths

<b>800+ Network</b>	Expanding dealer and retailer reach
<b>Brand Portfolio</b>	Authorized distribution and multi-brand trade
<b>Infrastructure</b>	Warehousing, inventory and dispatch coordination
<b>Business Locations</b>	Hubli, Fiber Division and Shivamogga

## Export Business

We support international business enquiries for automotive spare parts sourcing, mixed-product and consolidated orders, professional order coordination, documentation support and shipment readiness. Our approach is focused on dependable supply, transparent communication and long-term partnerships.
